### Presenter: Darshan Bhatt, DPT

Darshan completed his Doctor of Physical Therapy degree from Utica College and his MBA from the University of Texas. He has worked as a licensed physical therapist for over 15 years in various medical settings. Darshan started his own practice, Namaste Rehab to create a model of care that provides therapy care to the patient in their home. In essence, The Clinic comes to You! The May seminar will focus on ways in which you are able to maintain your independence at home while receiving the assistance you need to. You will not want to miss this very informative session.
