## Group Exercise Descriptions

*\*Note: Our "Express" classes are all 30 minutes in duration*

**Evening Flow Yoga:** A class focused on core strength, cardiovascular fitness, flexibility, and an overall sense of well-being. We will build upon basic yoga poses to target specific muscle groups while maintaining safe alignment. You don't need to be able to touch your toes; you just have to be willing to try.

**Express 10/10/10:** The 30 minute workout which incorporates nonstop movements to give you a total body workout. This class includes 10 minutes of upper body strength training, 10 minutes of lower body strength training, and 10 minutes of core conditioning. Great for all levels.

**Express Cardio Blast:** A mix of interval training and circuit training formats combined with fun cardio routines that incorporate elements of endurance training, calisthenics, and strength training to help develop overall body fitness. Workout format and structure will change from week to week to meet class goals and offer participants a taste of the variety available in the world of group exercise.

**Express Cardio Interval Training:** This energetic class will challenge you with a variety of low impact aerobics, step, running, cardio kickboxing, high intensity interval training (which can be modified to meet everyone's needs) and cycling. ***Class will meet in the Cycle Studio.***

**Express Legs and Abs:** Classic calisthenics mixed with bodyweight strength exercises designed to develop speed, agility, and more while focusing specifically on the legs and abs. Good for all levels. In just 30 minutes!

**Express Tabata:** TABATA will be a 30-minute dynamic workout with 20-second bouts of high-intensity movements followed by 10 seconds of rest to increase athletic performance and decrease body fat.

**Functional Mobility:** An educational class to help you learn how to take care of your joints, prevent and recover from injury, and develop more usable ranges of motion that a healthy body needs. Through various stretching and strengthening challenges, this class will be a supplement for your life inside and outside the gym

**HIIT/ Morning HIIT:** This class provides the variety your body needs by combining fun cardio movements with specific muscle conditioning using timed intervals. This is a great time to enjoy yourself and feel the burn at the same time!

**Pilates and Barre Fusion:** This workout combines elements of the standard Barre-Method workout with additional emphasis on the core through various Pilates inspired movements. Get ready for whole-body exercises targeting the muscles which play the greatest role in body change!

**PiYo:** PiYo combines the muscle-sculpting, core strengthening benefits of Pilates with the strength and flexibility of flowing yoga movements. You'll perform a series of high-intensity, low-impact moves that will work every single muscle for a long, lean and incredibly defined physique.

**SilverSneakers Cardio Circuit:** The SilverSneakers Circuit workout offers standing, low-impact choreography alternated with standing upper-body strength work with hand-held weights, elastic

tubing with handles and a SilverSneakers ball. A chair is available for support. This class is suitable for nearly every fitness level and can be adapted depending on the skill of individual participants.

**SilverSneakers Classic:** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. A chair is available if needed for seated or standing support. Low- impact movements are programmed to energize your active lifestyle.

**SilverSneakers Stability:** Exercise strategies to improve balance by development of core muscles through bodyweight strength training and functional movements. These strategies can also counteract pain, injury and age-related weakness.

**SilverSneakers Yoga:** A complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of seated and standing postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

**Spin:** Indoor Cycling has something for everyone! Intervals, rolling hills, sprints, climbs, runs, and surges all to music hand-picked to motivate and inspire! This is a great workout if you want to burn calories and increase endurance. Come on in for the ride!

**Strength and Toning:** Come burn fat and become stronger at our strength and tone class. This class targets every muscle group with specialized props and techniques so members can burn fat and become stronger.

**Tabata, Core & More:** TABATA will be a 30-minute dynamic workout with 20-second bouts of high-intensity movements followed by 10 seconds of rest to increase athletic performance and decrease body fat. CORE & MORE will include 30 minutes of abdominal and core exercises combined with basic yoga and Pilates movements to help improve strength, endurance and stability throughout your entire body.

**Tai Chi:** Tai chi is a Chinese exercise system that uses slow, smooth body movements to achieve a state of relaxation of both body and mind. That is why this class has been considered to be a form of 'meditation in motion' which promotes serenity and inner peace.

**Total Body Conditioning:** Get a 'head to toe" toning workout. Every day is different in this class that combines cardio and strength training by incorporating a variety of equipment and exercises.

**Yogalates:** A low-impact workout combining yoga and pilates to improve flexibility, muscular strength, posture and alignment. No experience required. Modifications and progressions will be provided. (Mat required)

**Zumba:** Zumba combines high-energy dance moves with more traditional exercises such as lunges, squats and arm curls. Throughout the routine, moves are performed to upbeat music selections, including merengue, salsa, mambo, flamenco and hip-hop.

**Zumba Gold:** Zumba Gold takes the popular Latin-dance inspired workout of Zumba and makes it accessible for seniors, beginners or others needing modifications in their exercise routine. Zumba Gold builds cardiovascular health by challenging the heart and working the muscles of the hips, legs and arms with dance moves.

**Zumba Gold Toning:** The Zumba® Gold-Toning program combines the enticing world rhythms of the Zumba Gold® program with the strength-training techniques of the Zumba® Toning program, creating an easy-to-follow, health-boosting dance-fitness program for the active older adult as well as beginners.

**Zumba Toning:** Many people who become involved with Zumba, a workout class that functions more like a party, want more. Zumba Toning keeps Zumba's essence while focusing on strength training the arms, abs and thighs.
